From: Karen Greene, Director of Community Development *KMG*

Date: October 27, 2011

Subject: Revitalization Overlay Architectural District (R.O.A.D.) Application

---

---

I have attached a R.O.A.D. application and plans for your review and comment. The application was submitted to the Planning Board on Wednesday, October 19<sup>th</sup> by Craig and Nicole Whitten, who propose to construct an additional 2 buildings for storage space and 7 units of workforce housing.

The Public Hearing for this project will be held on Wednesday, November 16, 2011. Your comments and suggestions on the project would be appreciated. If additional copies of the plans are needed, I have digital files that I am able to share.

If you have any questions, please do not hesitate to contact me.
