

What are the Cape's greatest health needs?

WE WANT
YOUR
FEEDBACK

The **Community Health Survey** seeks your opinion about the health of Cape residents today and the services they may need tomorrow.

This survey is available online or in print and is available to all Barnstable County residents **from Nov. 12 – Dec.31, 2018.**

Your answers to this Community Health Needs Survey are anonymous and your opinions will illuminate the most critical health issues on Cape Cod.

**To take the survey, visit www.capecodhealth.org/survey.
For more information, call 774-470-5511**
