2019 Hazardous Waste Collections for VSQGs

Examples of Small Businesses that are [Very Small Quantity Generators \(VSQGs\)](#)

Painters, Landscapers, Jewelers, Artists, Labs, Non-profits, Motels/Hotels, Inns/B & Bs, Woodworking

Cape Cod towns invite you to participate in this year's hazardous materials collections if you need to dispose of hazardous products from your small business (<220 lbs or 27 gallons per month and NO acutely hazardous waste). The schedule on the back of this form lists 2019 collection dates, times, locations, and contact numbers. Call Kalliope at the number below for more information. Information about the hazardous products collections is also available on our website: www.loveyourlocalwater.org.

You may participate in collections in your town, or in other town's collection for the disposal costs. **IMPORTANT:** You are required to register by calling or emailing at least two weeks in advance of the collection date to discuss the type and quantity of materials you plan to bring. Our contractor cannot accept acutely hazardous materials at household hazardous products collections, so it is important that you notify Kalliope in advance. You will be sent a bill of lading (BOL) and a quote for the cost for disposing of your materials. You should bring the BOL and a check for payment to the hazardous waste collection.

For small business registration information and to make arrangements to participate in the collections, contact:

Material	Form		Total Volume or Weight		
	Liquid	Dry	Quarts	Gallons	Pounds

Stericycle 275 Allens Avenue Providence, RI 02905-5003 401-781-6340 EPA ID # RID980906986

As per Department of Environmental Protection and Transportation regulations:

- you may transport only waste generated in your business,
- may transport no more than 55 gallons or 440 pounds per trip,
- must keep a copy of the VSQG registration in the vehicle during transport,
- must obtain a receipt from the hazardous waste contractor, and
- must keep the receipt for three years.

In addition, you must bring a cell phone in case of emergency; absorbent material for spills, a shovel and broom, and a container into which the absorbent materials will be placed in the event of a spill.

Cost and Payment: Upon receipt of this form you will be contacted with an approximate price for disposal. Cash (exact change), MO/bank check, or check will be accepted the day of the collection. **Checks should be made out to: Stericycle**
