

REOPENING MASSACHUSETTS IN PHASES

The goal of this phased reopening plan is to methodically allow businesses, services, and activities to resume, while avoiding a resurgence of COVID-19 that could overwhelm our healthcare system and erase the progress we've made so far.

- **Each phase will last a minimum of three weeks and could last longer** before moving to the next phase
- **If public health data trends are negative**, specific industries, regions, and/or the entire Commonwealth may need to return to an earlier phase
- The Commonwealth will **partner with industries to draft Sector-Specific Protocols in advance of future phases** (example: restaurant specific protocols will be drafted in advance of Phase 2)
- **If we all work together to defeat COVID-19, we can proceed through each phase**
