528 Forest Road
West Yarmouth, MA 02673
(508)394-7606

Safety First

Did you know the Division of Senior Services and the Yarmouth Fire Department are promoting a program called Safety First?

We want to make sure seniors can be found quickly in an emergency because seconds count! The faster that Fire, Police and medical can find you the better your chances are. It could even Save your **Life**.

Check your house numbers, are they clearly visible from the street. If they are not the Division of Senior Services in partnership with the Yarmouth Fire Department can help. We can bring and put up numbers for you.

We will also be happy to give and replace the batteries in your smoke and carbon monoxide detectors. It may not be safe for you to change the batteries yourself, especially if you have to get on a ladder or step stool to do so.

Fill out the application on the back and give to Hilda Davenport, the Outreach Coordinator.

Safety First

Please complete this questionnaire and return it to Hilda Davenport,
Yarmouth Division of Senior Services Outreach Coordinator.

Name (Please Print) _____

Street Address _____

Telephone number _____

Are there numbers on your home? _____

Yes _____ No _____
