

Town of Yarmouth Energy Resiliency Community Outreach Webinar

The Town of Yarmouth is hosting a community outreach webinar to discuss the topic of energy resiliency in Yarmouth. Key community stakeholders will deliver presentations on Yarmouth's past, present, and future energy resiliency planning efforts.

Webinar Information:

Tuesday, June 30 - 3:30 PM

Zoom Link: <https://us02web.zoom.us/j/84544597371>

Yarmouth was recently awarded a Municipal Vulnerability Preparedness (MVP) grant to assist with the Town's future energy resiliency efforts. The MVP program provides support for communities to begin the process of planning for climate change resilience and prioritizing adaptation and hazard mitigation actions.

Join this community outreach webinar to learn more about the Town's MVP planning work and how the Town of Yarmouth will benefit from this program.
