NEW SLAT SIGN & RACK APPLICATION

Application is hereby made to install a Slat Sign Rack in accordance with the Town of Yarmouth Zoning Bylaw Section 303.4.2.1, the Selectmen's Slat/Ladder Sign Policy 90-11 (as amended), and MGL Section 8, Ch.85.

An application may be submitted by a group of no less than three (3) business owners. Construction, installation, and maintenance of slat signs and racks shall be the sole responsibility of the applicants, in compliance with the attached specifications. Slat racks shall only be erected in locations approved by the Yarmouth Department of Public Works (DPW). No racks will be allowed without approval by the Yarmouth DPW and the Building Department. There is no fee for this Slat Sign & Rack Application.

A maximum of nine (9) slats are permitted per rack. Individual business owners may also submit applications for the insertion of a new slat sign on an existing rack if space is available. Applicants agree to abide by the above-listed laws and regulations. Slat sign & rack permits may be revoked at any time for any infraction of these laws and regulations.

RACK LOCATION: _____ (location to be approved by DPW)

Note: Applicant Business must be located within 2 miles of Rack Sign location.

SPECIFICATION REQUIREMENTS

See Individual Slat Sign & Sign Rack Specifications sheet (attached).

1. Arrangement Specifications

- 1.1. Rack to be constructed of 3/4" 18 lb. density Signfoam.
- 1.2. Arrangements, slats, and 2.5" spacers to receive two prime coats of white Signfoam primer followed by one coat of oil-based primer and two coats of oil-based finish enamel.
- 1.3. Logo colors at top of each arrangement to match to the Pantone Matching System (PMS) colors of the vinyl of Apple Green (PMS #370) and Sapphire Blue (PMS #302). Star symbol to be PMS #116.
- 1.4. Logo is available on the Town of Yarmouth website (<http://www.yarmouth.ma.us>) as a word, pdf, and vector file.

2. Slat Specifications

- 2.1. Black vinyl lettering, no greater than 4" high. Helvetica Bold Typeface. All capital letters. All text on one line, centered.

3. Installation

- 3.1. Arrangement to be installed on two 4" x 4" x 14' pressure-treated square posts. Total post length is 14 feet, installed to a 4-foot depth with a 10-foot maximum height.
- 3.2. All posts to have a white PVC sleeve.
