

Emergency Shelters

The primary shelter for the Town of Yarmouth is the **Dennis-Yarmouth Regional High School**, which is located at **210 Station Ave, South Yarmouth**. The Town of Yarmouth and the Barnstable County Regional Emergency Planning Committee will notify the public if this shelter and others on Cape Cod are opening due to a storm.

Pets are allowed at this shelter, however, they will be sheltered in a separate location within the building. Each pet must have their own food, proof of ownership, and a cage.

If an evacuation is ordered for your area leave immediately. Evacuation orders are only given if there is a severe and imminent threat to life or health in the area.

During the height of a storm rescue may not be possible, don't take the risk.

More information on shelters, disaster planning, and evacuation zones can be found on the Town of Yarmouth website.
