Notice of Meeting. We will also post a recording of this meeting on the Town of Yarmouth website as soon as we are able.

Please be patient as we work to overcome any technological challenges with the virtual meeting. To reduce confusion during the meeting, all participants of the virtual meeting are muted by the moderator. As participants are called upon to speak they will be unmuted.

Applicants can use the "Raise Hand" button or press *9 on their phone to identify themselves to the chair. The meeting host will then un-mute applicants when they are called upon to speak. During the portion of the hearing designated for public comment, the Chair or moderator will ask who in the audience has any public comments or questions. Members of the public attending this meeting virtually will be able to make comments using the "Raise Hand" button within the virtual meeting.

If you are dialed in to the phone number provided, you can press *9 on your phone to indicate that you would like to comment. Please wait for the chairman to recognize you before speaking. Members of the public who wish to provide comment are asked to identify themselves by first and last name and affiliation for the public record and then provide their comment. Prior to concluding opportunities for discussion, comment, or question, the Chair will ask a final time if anyone wishes to speak on the matter.

All votes must be roll call votes. After a motion is made and there is a second, the Chair will ask the moderator to take the roll call vote. The moderator will report the roll call vote.

All motions, decisions, documents, and letters will be verbally read into the record. If it appears the meeting cannot or should not proceed, then the moderator will recommend that the Chair request to continue the hearing to a later date and time and/or until public meetings can resume normally. I will now hand the meeting back to the Chair.
