Dear Mr. Whritenour,

Enclosed please find a copy of Yarmouth Annual report of the Sealer of Weights and Measures submitted to the MA Division of Standards for the calendar year 2021. A copy has been sent to the Division of Standards fulfilling the Town of Yarmouth obligation to report these mandated inspections and components of the weights and measures program contracted with the Town of Barnstable under M.G.L Chapter 98 Section 37.

Continuing with the COVID-19 outbreak in 2021, Barnstable Weights and Measures had some challenges conducting inspections. We were relocated to small space in another building which made it difficult to access all the equipment we share among the inspectors, access to office equipment, files and meeting as a team proved problematic. In addition, our program was transferred to Inspectional Services from Licensing, when the director retired 2021. A long time employee left in August to take another job, this left us short an inspector until November 2021.

However; we continued to conduct inspections and feel confident the new inspector will be a quick study!

If you have any questions or comments regarding this information please contact me at (508) 862 - 4773 or e-mail me at [jane.zulkiewicz@town.barnstable.ma.us](mailto:jane.zulkiewicz@town.barnstable.ma.us).

We look forward to servicing your community in 2022.  
May equity prevail.

Best Regards,
