

LEARN ABOUT THE SOLARIZE MASS PLUS PROGRAM

What is Solarize Mass Plus?

This program is a cooperative effort between the state, local officials, clean energy technology installers, volunteers, and residents.

- Opportunity to receive discounted pricing via leveraged community buying power
- Lower monthly electric bills
- Education to expand your energy choice
- Protect the environment

How Can I Participate?

- Learn more about the program from your Solarize community volunteers
- Sign up for email updates directly with the volunteers to learn when the program will launch and when your installer is selected!
- Volunteer with the team!
